## SOLD ENGINES.

Supt. A. L. Humphrey announces the sale of four of the Schenectady class of engines to the Kansas Southern. The Bulletin in a recent issue announced that Traveling Engineer Rider, of that road, was in Bloomington for the purpose of making an inspection. He reported in favor of buying the 226, 227, 228 and 237 and he Alton closed the deal. The price is not known, but whatever it was, the amount was certainly too low. There will be general regret in Alton engine men circles, over the loss of this quartet of engines, as they have always given the most reliable service. They were bought to handle the Chicago world's fair business in 1893 and have been given steady service since. President Felton thought that they were too light for the Alton's needs and decided to sell a number of them. The Kansas Southern snapped the four up greedily and doubtless would like to get more of them. The 227 has been repainted and lettered for the K. C. Southern and given a new number, the 335. The 226 arrived from Roodhouse Wednesday evening on third 88 and will be ready by to night, when it will go to Kansas City in company with the 227. The 237 and 228 are now in the shops and being overhauled and will be delivered some time next month.—Bloomington Bulletin.

## R. AND S. M., ATTENTION.

## SOME TOWN TOPICS

The prevailing quiet is proving a great source of distress to the news gatherers. The continued exodus of people pleasure bent continues unabated and social circles are stagnant, while business circles are materially affected by the industry of the farmer, who is at present putting in full time.

The half holiday idea has not struck the town yet and it is not likely that any move in this direction will be made this season. While things are quiet in the present the future argues well for "some thin" doin'.

August always ushers in the chicken fries, burgeois and church picnics and is the one month in the year when there is a close comingling of country folk and town people.

The driving club promises to give their opening matinee in a few weeks and work upon the fair ground track will begin to day. It will not take long to get the track in condition and lovers of horse racing will soon have a chance to witness some good sport.

The street fair proposition has been temporarily laid on the table, but the project has by no means been abandoned and it is quite likely that a carnival will be held. A horse show will probably be arranged in conjunction with the carnival.

The Griggsville fair will doubtless draw its usual share of patrons from his locality and it is an event that many look forward to with interest.

The idea of a public park for Jacksonville is a matter that is frequently discussed nowadays, and while so far as is known no definite steps have ever been taken in this direction, it is more and more apparent that such a place of recreation is needed and outside of being a mere pleasure resort for the citizens themselves it is a project that has its business side and would be a drawing card for excursionists. As it is this city is without an available spot where there are the proper conveniences for visitors who come here for a day's recreation and who plan for an inexpensive trip, nearly due for another base ball team. Of course it is too late to do anything along this line this season, but looking ahead a little it might be wise to get the question of a team in the Three-I league for next year. Hereofore local fans have always waited until the town was put in because that so other available place could be found who would take the franchise and the result has been that a weak team has been organized and a bad start made. Local fans have always been fairly liberal in their patronage of a ball team and a winning team here has never had the least difficulty in receiving proper support and encouragement.

## MURRAYVILLE PICNIC

Annual Event Attracts Large Attendance — Fine Program Given.

Thursday was the day set by the Ladies' Aid of Murrayville M. E. church for their fifth annual fish fry and burgoo. The day was an ideal one and early morning found the crowd gathering, as this picnic held annually has become out of the greatest gatherings of the year, and is looked forward to with pleasure. At 10:30 the Murrayville band repaired to the park and all day furnished excellent music. By noon a very large crowd had arrived and as is usual on such occasions a great amount of fish, chicken and burgoo soup had been provided. Of the latter 500 gallons was necessary to supply the vast crowd and obliging waiters saw that everyone was properly attended to in order and with dispatch. All the nearby towns, Carrollton, Whitehall, Roodhouse, Manchester, Woodson, Jacksonville, Nortonville, Winchester and others sent in good delegations. Addresses, suitable to the occasion, were made by Rev. A. L. T. Ewert, of Jacksonville; Rev. Mr. Cadwell and Mrs. Williams, of Roodhouse. A ball game between the White Elephants of Carrollton and the Murrayville Pickets came off in the afternoon and attracted a large crowd. The Elephants were successful by a score of 23 to 10, the Pickets being driven in at almost every point. The crowd gave the victors praise, while the home boys were asked "Where they were at."

The officers this year are: Mrs. Hattie Carlson, president; Mrs. Mary A. Gunn, secretary, and Mrs. C. F. Straug, treasurer. Assisted by the members of the Aid society they made this one of the best entertainments of the season. A good literary program was provided. In the evening the crowd was much greater than during the day and the supper tables were patronized liberally. Taken altogether, crowd, entertainments and perfect order it was a grand success. Over 3,000 were in attendance and nothing occurred to mar the pleasures of those bent on a pleasant day. Various prizes were offered. A fine chair was given Uncle A. J. Gunn for being the oldest man. Rev. A. B. Cadwell, the pastor of the M. E. church, was chairman of the day.

One of the most delightful lawn sociables of the season was held on the lawn of Mr. and Mrs. W. D. Alexander on West College avenue Thursday evening. The ladies of the board of managers of the Old People's home had charge of the affair and they were assisted by the ladies of the Christian church, under whose auspices the home is maintained. The decorations were strikingly beautiful and the lawn was brilliantly illuminated. Bunting and flags were gracefully festooned on the trees and porch and a fence of bunting formed an enclosure, within which ice cream and cake were served. There was an efficient corps of waiters and each table was adorned with a handsome bouquet of flowers.

Jeffries' orchestra was stationed on the spacious porch of the Alexander home and furnished music throughout the evening. The fete was liberally patronized and was a success from every standpoint.

The efficient committee, under whose management the sociable was given, consisted of Mrs. W. D. Alexander, chairman, Mrs. W. L. Fay and Miss Matilda Dinsmore.

## CORN DOING WELL

Corn is looking well considering its backward appearance for the past few weeks. At present most of the growing corn looks about as it did a year ago and a fair crop is assured with seasonable rains and good weather.

One, two and three weeks ago, the corn fields looked as if there would be but a light crop, but the recent warm weather and rains have changed things very much. Some fields to be sure still show small stalks, but the great majority have caught up and now look well. The oats that are being cut seem rather light.

It is a Fuel Saver that has stood the test of many hard winters

In the smallest furnace, the air, introduced and heated for the purpose of promoting combustion, travels nearly twenty feet in a channel encircling the hot fire bowl lining before being discharged upon the burning fuel. We do burn the bulk of the soot and carbonaceous gases, even when the commonest coal is used. It does this by means of more effectual combustion of the fuel in the fire bowl. It extracts a greater amount of heat from a given amount of fuel, and burning the fuel more thorough and reduces the wasting of fuel through the smoke outlet.

We have put in nearly 300 furnaces in Jacksonville and Morgan county and refer you to users of our furnaces for recommendation. We have eight unfinished contracts for this season.

The People Learn This.

Can't rest at night with a bad back. A lame, a weak or an aching one. Doan's Kidney Pills are far better than anything else. They cure every kind of kidney trouble. From common backache to diabetes. They are endorsed by Jacksonville people.

Mr. O. B. James, of 21 South East street, retired farmer, says: "I had for a long time weakness of the kidneys and bladder, necessitating my rising several times a night, and a weakness and aching pain through the small of my back. Owing to my advanced years I did not expect to get a remedy that would remove the trouble, but in Doan's Kidney Pills, sold at Dr. H. Lee Hatch's drug store, I found one which was at once all that was claimed for it, a true kidney remedy."

For sale by all dealers, 50 cents a box, Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
